

School Reopening Forums Scheduled

Please join Superintendent Graupman and other district leaders for an hour-long virtual information session next week to discuss the district's reopening plan and respond to your questions. Participants will be asked to submit questions at the time of registration. District leaders will also take a limited number of live questions during the meeting.

In addition, schools leaders will host more targeted reopening information sessions to review things unique to that school community. Registration information for each school session will come directly from your principal so stay tuned!
