Re: Student Parking

Dear Students and Parents/Guardians:

Enclosed is the application to request parking privileges for the 2018-2019 school year. Students wishing to drive to school must submit a completed application and copies of their driver's license and vehicle registration. **There is a \$5 fee, due in cash only, upon pickup of the parking pass.**

Parking at Greece Athena is a privilege and students are subject to disciplinary action, as well as revocation of parking privileges, for violations of the Code of Conduct. This includes, but is not limited to, the following:

- Student parks in an area not designated for student parking.
- Student leaves the school building without written parental and attendance office permission. **This includes going to the car during the school day to get something and then coming back into the school.**
- Student does not affix the parking privilege pass to the rear passenger side window of the registered vehicle.
- Student does not observe the posted 15 miles per hour speed limit on campus.
- Student drives unsafely/recklessly on campus (tailgating, swerving, donuts, fishtailing, burnouts, etc.)
- Student uses parking lot for non-school related activities.
- Student does not follow the no smoking policy on campus. This includes smoking in one's car while on campus.
- Student does not surrender the parking pass and notify the unit office of a change in vehicle.
- Student attempts to share or fraudulently use a parking pass.

**Specific parking lots are designated for student use. Failure to park in approved student parking areas will result in disciplinary consequences. This policy will be strictly enforced.**

To accommodate our summer office hours and ensure applications are processed prior to students picking up their class schedules in late August, applications for **parking must be received no later than August 10, 2018 by MAIL ONLY.** Applications submitted after this date, and throughout the 2018-2019 school year, will be processed in the order they are received based on availability.

Please Mail to:

**12<sup>th</sup> Grade**

Greece Athena High School  
c/o Mrs. Palermo  
800 Long Pond Rd  
Rochester, NY 14612

**11<sup>th</sup> Grade**

Greece Athena High School  
c/o Mrs. Dieter  
800 Long Pond Rd  
Rochester, NY 14612

Thank you very much for your support as we prepare our students for success in college and careers.

Sincerely,

David Richardson  
Principal
