

School to Career Pathways

CAREER AND TECHNICAL EDUCATION, COLLEGE,
AND CAREER INFORMATION NIGHT

November 30
6-7:30 p.m.

**Greece Central Performing Arts Center
on the Athena Campus**

800 Long Pond Road, Rochester, NY 14612

At this event, Freshman and Sophomore families will first spend 45 minutes receiving information about the variety of options available on each campus.

TOPICS WILL INCLUDE:

- ▶ Our **AVID Program** and how it prepares students for college and other post secondary opportunities.
- ▶ **Dual enrollment opportunities** available in Greece. Students will receive discounted college credit and may be eligible for scholarships.
 - ▶ How does **Advanced Placement (AP)** Work?
- ▶ **What are Career Pathways** and how can they give my child an advantage when they graduate high school?

Families will then spend the second half of the event with CTE teachers, post-secondary Institutions, and other industry partners. This experience will highlight employment trends and unique opportunities that may be available for their child once they graduate.

Families will be able to meet the lead teachers behind our new Pre-Engineering and Culinary Arts Pathways that launched in September.

Pizza will be provided for participating families, courtesy of Community Schools.
