- ☉ Create an indoor/outdoor **OBSTACLE COURSE**. Use chairs, slides, hula hoops, stools, towels, sheets, blankets, rope, wading pools, games, etc...
- ☉ On hot days, play **WATER GAMES** at home ~ Try setting up buckets about 10-20 feet away. Have kids use various household items to move the water (soup ladle, serving spoon, small cup or bowl or other creative mode of transportation). If all else fails...play in a **sprinkler** or have an old fashioned **water fight**.
- ☉ Use **SIDEWALK CHALK** create a masterpiece, play games like hopscotch or tic-tac-toe, make a silly creation or saying.

- ☉ Make **HOMEMADE BUBBLES**. Mix 7 parts of water with 1 part dish soap. You can add 2 tablespoons of glycerin to make the bubbles last longer. Make a bubble wand out of a wire hanger (use duct tape to help cover sharp ends). See what else you might have around the house that will help blow bubbles. (Ever try a slotted spoon?)
- ☉ Create a **SCAVENGER/TREASURE HUNT** for the house, your back yard, or for when you go to the park or on a hike.
- ☉ Make **JUG CATCHERS**. Cut the bottom off a plastic milk/juice jug with a handle, cover the cut edge with duct/electrical tape. Play catch with a soft ball (tennis ball, inflatable rubber ball, rolled up socks, etc.) Play alone or with others!
- ☉ When a group of you get together, play **HIDE & SEEK, FOLLOW THE LEADER, RED ROVER - RED ROVER, TAG, TUG OF WAR**, or have races like a **SACK RACE, EGG & SPOON RACE, 3-LEGGED RACE** or one you make up!
- ☉ Design your own "**SUMMER CAMP**". Create a schedule that includes morning routines, meals, reading, crafts, clean up sports or lessons, activities, etc... Try setting up activities by day (ie: library, park, swimming, zoo, beach, etc...).
- ☉ Try a **JAR DAY** ~ put in activities like coloring, drawing, reading, play with a friend, play outside, ride bikes, build a fort, play a game, etc... Pick an activity that kids do for at least 30 minutes.
- ☉ Visit your local **PUBLIC and FARM MARKETS** – Go to www.kidsoutandabout.com for a list of area markets
